

INDEX OF PLACES.

* * * In order to facilitate the reference to places, this Index is inserted; and with the assistance of the Lists of Localities of Fossils, appended to each division of the work, will, it is presumed, enable the reader to refer to the notice of any locality, with but little trouble.

British localities of Fossil Cephalopoda, ii. 514.
_____ Crustacea, ii. 568.
_____ Fishes, ii, 678.
_____ Mammalia, ii. 866.
_____ Plants, i. 205.
