- From p. 451 to p. 458, here and there *instead of* Grassian *read* Grasian.

IN THE PLATES.

Plate 9c, fig. 5. The dots from the letter *c* on the right should go to the next inner line, which runs close to *f'*.

- 11, " 3; *a*, must be *d*, as in fig. 2.
- 12, " 19; *c'*, must be *c'*.
- 12, " 10a; *a'*, must be *a'*; correct the same, p. 541, line 16.
- 18a; fig. 2 in profile, should be fig. 8.
- 18a, fig. 13, *h'*, and *h'*. From *h'*, a dotted line should go to the dark hole in the nearest part of the heart, and from *h'* to the part of the aorta which is just below the longest branchial fissure, (*m*), that runs from the ear (*b*) downward. The letter *i*, nearest to the letter *h'*, should be *i'*.
- 18^a, fig. 14. The first letter to the left of *k* should be *c'*, instead of *c'*.
- 21, fig. 20, 20a, near fig. 14, should be fig. 34, and 34a.
- 22, " 8; the letter *e'*, near *h'*, should be *e'*.
- 23, " 2b; *p'* should be *k*, and the *k* just before it changed to *k'*.
- 24, " 9a; *i'* should be *j'*, and *j'* should be *i'*.
