|--------------------------------------------------------------------------------|------|
| 26. Portion of carved surface of scale . . . . .                               | 96   |
| 27. Cranial buckler of <i>Asterolepis</i> . . . . .                            | 98   |
| 28. Inner surface of cranial buckler of <i>Asterolepis</i> . . . . .           | 99   |
| 29. Plates of cranial buckler of <i>Asterolepis</i> . . . . .                  | 102  |
| 30. Portion of under jaw of <i>Asterolepis</i> . . . . .                       | 103  |
| 31. Inner side of portion of under jaw of <i>Asterolepis</i> . . . . .         | 104  |
| 32. Portion of transverse section of reptile tooth of <i>Asterolepis</i> . .   | 105  |
| 33. Section of jaw of <i>Asterolepis</i> . . . . .                             | 106  |
| 34. Maxillary bone? . . . . .                                                  | 108  |
| 35. Inner surface of operculum of <i>Asterolepis</i> . . . . .                 | 109  |
| 36. Hyoid plate . . . . .                                                      | 110  |
| 37. Nail-like bone of hyoid plate . . . . .                                    | 111  |
| 38. Shoulder plate of <i>Asterolepis</i> . . . . .                             | 112  |
| 39. Dermal bones of <i>Asterolepis</i> . . . . .                               | 113  |
| 40. Internal bones of <i>Asterolepis</i> . . . . .                             | 114  |
| 41. Ditto . . . . .                                                            | 115  |
| 42. Ischium of <i>Asterolepis</i> . . . . .                                    | 116  |
| 43. Joint of ray of Thornback:—of <i>Asterolepis</i> . . . . .                 | 117  |
| 44. Coprolites of <i>Asterolepis</i> . . . . .                                 | 118  |
| 45. Hyoid plate of Thurso <i>Asterolepis</i> . . . . .                         | 124  |
| 46. Hyoid plate of Russian <i>Asterolepis</i> . . . . .                        | 127  |
| 47. Spine of <i>Spinax Acanthias</i> :—fragment of Onondago spine . .          | 143  |
| 48. Tail of <i>Spinax Acanthias</i> :—of <i>Ichthyosaurus tenuirostris</i> . . | 172  |
| 49. Port Jackson Shark ( <i>Cestracion Phillipi</i> ) . . . . .                | 177  |
| 50. Tail of <i>Osteolepis</i> . . . . .                                        | 195  |
| 51. Tail of <i>Lepidosteus osseus</i> . . . . .                                | 196  |
| 52. Tail of Perch . . . . .                                                    | 197  |
| 53. <i>Altingia excelsa</i> (Norfolk-Island Pine) . . . . .                    | 212  |
| 54. Fucoids of the Lower Old Red Sandstone . . . . .                           | 216  |
| 55. Two species of Old Red Fucoids . . . . .                                   | 217  |
| 56. Fern (?) of the Lower Old Red Sandstone . . . . .                          | 219  |
| 57. Lignite of the Lower Old Red Sandstone . . . . .                           | 221  |
| 58. Internal structure of lignite of Lower Old Red Sandstone . . .             | 223  |
