|--------------------------------------------------------------------------------------------------------------|------|
| CHAPTER I.—IMAGINARY KNOWLEDGE OF PLANTS.....                                                                | 358  |
| CHAPTER II.—UNSYSTEMATIC KNOWLEDGE OF PLANTS....                                                             | 361  |
| CHAPTER III.—FORMATION OF A SYSTEM OF ARRANGEMENT<br>OF PLANTS.                                              |      |
| Sect. 1. Prelude to the Epoch of Cæsalpinus .....                                                            | 369  |
| Sect. 2. Epoch of Cæsalpinus.—Formation of a System of Arrangement..                                         | 373  |
| Sect. 3. Stationary Interval.....                                                                            | 378  |
| Sect. 4. Sequel to the Epoch of Cæsalpinus.—Further Formation and<br>Adoption of Systematic Arrangement..... | 382  |
| CHAPTER IV.—THE REFORM OF LINNÆUS.                                                                           |      |
| Sect. 1. Introduction of the Reform.....                                                                     | 387  |
| Sect. 2. Linnæan Reform of Botanical Terminology.....                                                        | 389  |
| Sect. 3. “ “ “ “ Nomenclature.....                                                                           | 391  |
| Sect. 4. Linnæus's Artificial System.....                                                                    | 395  |
| Sect. 5. Linnæus's Views on a Natural Method.....                                                            | 396  |
| Sect. 6. Reception and Diffusion of the Linnæan Reform.....                                                  | 400  |
| CHAPTER V.—PROGRESS TOWARDS A NATURAL SYSTEM OF<br>BOTANY.....                                               | 404  |
| CHAPTER VI.—THE PROGRESS OF SYSTEMATIC ZOOLOGY..                                                             | 412  |
| CHAPTER VII.—THE PROGRESS OF ICHTHYOLOGY .....                                                               | 419  |
| Period of Unsystematic Knowledge.....                                                                        | 420  |
| Period of Erudition.....                                                                                     | 421  |
| Period of Accumulation of Materials.—Exotic Collections.....                                                 | 422  |
| Epoch of the Fixation of Characters.—Ray and Willoughby.....                                                 | 422  |
| Improvement of the System.—Artedi.....                                                                       | 423  |
| Separation of the Artificial and Natural Methods in Ichthyology.....                                         | 426  |
