

Peach, had no academic training. Possessing a real love of Nature and of Science, and undaunted by the vagaries of palæontological nomenclature, they may render most useful, if humble, service, by seeking out in cliff and quarry, with particular regard to horizon, those 'Medals of Creation,' on the accurate knowledge of which, advance in our study of the life-history of the globe must ever depend.¹

On February 15, 1907, the Council and officers elected were as follows :—

President.

Sir Archibald Geikie, D.C.L., Sec.R.S.

Vice-Presidents.

J. E. Marr, Sc.D., F.R.S.	Aubrey Strahan, Sc.D., F.R.S.
